Petroleum Exploration and Reservoir Geology Program – PRH-ANP 19.1

PRH-ANP Nº 04/2021: Research Fellowship for POSTDOCTORAL RESEARCHER

The Petroleum Exploration and Reservoir Geology Program (PRH-ANP 19.1) invites applications for a Postdoctoral Research Fellow position at the Institute of Geosciences of the University of Campinas (Technical and Financial Cooperation Agreement nº 01/2018/PRH-ANP).

Job Purpose:

- ❖ Postdoctoral research fellowship for the development of research on a topic of interest to the oil, natural gas and biofuels sector through a training program focused on the improvement of research and professional skills in petroleum exploration and reservoir geology.
- ❖ Vacancy: One (1)
- ❖ Deadline for applications: from 20/09/2021 to 30/09/2021
- ❖ Grant: R\$6,110.00/monthly (plus full coverage of research expenses)
- ❖ Result 06/10/2021
- ❖ Tenure 12 months

Eligibility:

- (i) Bachelor degree in Geology, Geophysics or related areas;
- (ii) Ph.D. in Remote Sensing, and/or Reflectance and Imaging Spectroscopy, and/or Modeling and Data Integration, and/or Geophysics (potential, seismic methods) applied to petroleum studies;
- (iii) Experience/aptitude with sensor systems or geophysical instruments in laboratory and field.

Documents required for application (must be send in PDF):

- a) Registration form, available at <https://forms.gle/3JGpVefGv8JUhgfb6> (on-line)
- b) Undergraduate and graduate grades
- c) Curriculum Vitae
- d) Research proposal

All documents should be provided in .PDF format and sent to the following e-mail: prh-anp@ige.unicamp.br.
